

Theory Questions

1) Name these notes in the treble clef (use FACE to help)

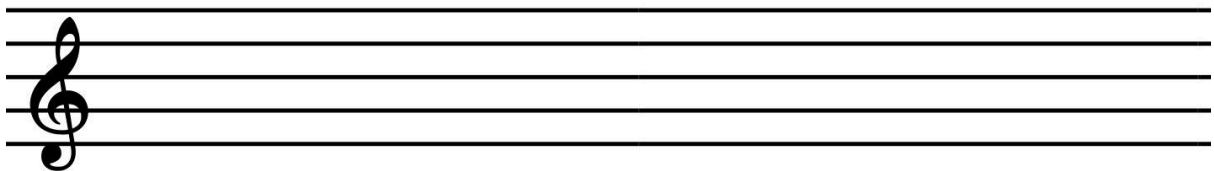

2) Name these notes in the bass clef

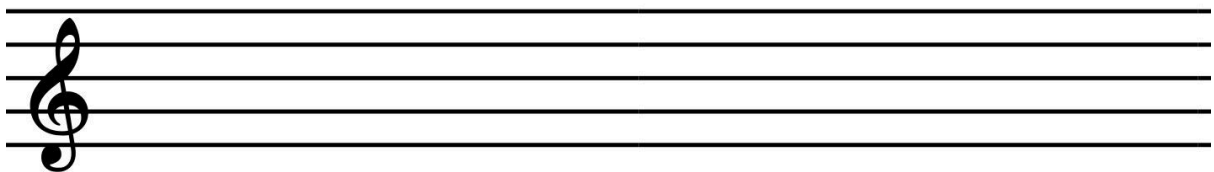

3) What note is one tone higher than D?

4) What note is one semitone higher than F#?

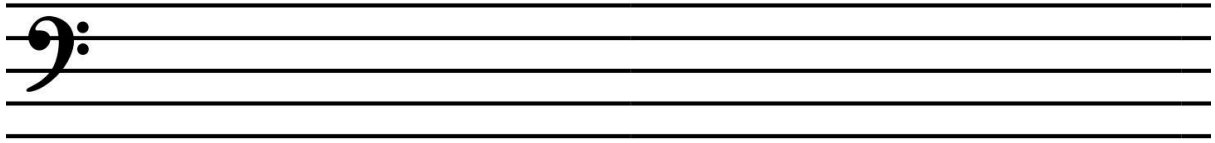

5) Write a D major scale

6) Write an E major scale

7) Write a Bb major scale

8) What note is three tones higher than F?

9) What note is three semitones higher than Ab?

Challenge:

10) Write a C harmonic minor scale

- This uses the recipe T S T T S 3 S (the 3 indicates three semitones)

11) Label the Tonic (1st), Subdominant (4th) and Dominant (5th) notes in all the scales you have drawn.

12) Invent a scale. Use your own recipe!
